

PROCÈS-VERBAL FINAL DE DÉLIBÉRATION N°8 /2026

Classement des étudiants sortants de Licence IUP

Le vendredi 24 juillet 2026 à 11 heures, s'est réuni dans la salle des réunions de l'Institut Supérieur de Génie Industriel le jury de délibération, à l'effet d'arrêter la liste et le classement final des étudiants sortants de Licence IUP au titre de l'année universitaire 2025/2026.

Étaient présents :

- Mohamed El Hacem Mohamed Dilla , Président du jury ;
- Marbe Begnoug , Membre ;
- Sid'Ahmed Sidha , membre ;
- Senad Mohamed Mahmoud, membre.

1. Modalités de classement

Conformément à la décision du Conseil Pédagogique (PV N°002/2026), le classement est établi par filière, sur la base des résultats de la première session. La moyenne de classement est la moyenne générale des cinq (5) premiers semestres, diminuée d'un (1) point par année de redoublement. Chaque filière fait l'objet d'un classement distinct ; aucun classement inter-filières n'est établi.

2. Traitement des réclamations et corrections

À la suite de la publication des résultats de la première délibération (PV N°7/2026), les étudiants ont été invités à déposer leurs réclamations dans les délais réglementaires. Le jury a procédé à l'examen de l'ensemble des réclamations reçues et aux vérifications nécessaires. Les corrections des réclamations justifiées et des erreurs constatées ont été apportées aux moyennes semestrielles (S1 à S5) et les classements par filière ont été mis à jour en conséquence. En cas d'ex æquo, les étudiants ayant la même moyenne de classement se voient attribuer le même rang : par exemple, deux étudiants classés au rang n conservent tous deux ce rang n, l'étudiant suivant étant alors classé au rang n+2. Le présent procès-verbal arrête le classement définitif intégrant ces corrections.

2. Classement arrêté

Filière : Mathématiques appliquées à l'économie et à la finance

Matricule	Nom et Prénom	Semestres					Moyenne de classement	Rang
